## PURPOSE

To ensure that all excursions and incursions undertaken by Medowie Gumnut Preschool are carefully planned and conducted in a safe manner, maintaining children's health, safety and wellbeing at all times in accordance with Education and Care National Regulations. We believe excursions/incursions provide the children with the opportunity to expand and enhance their skills and knowledge gaining insight into their local and the wider community.

## SCOPE

This policy applies to children, families, educators, staff, visitors, approved provider, nominated supervisor and management of Medowie Gumnut Preschool

## IMPLEMENTATION

Under the Education and Care Services National Regulations, the approved provider must ensure policies and procedures are in place for managing excursions. (ACECQA, June 2021). Excursions and incursions will be conducted with the children's safety and wellbeing in mind at all times. We will regularly schedule incursions and visitors to Medowie Gumnut Preschool, however, if we feel an excursion will benefit the children and offer a valuable experience, we will adhere to the National Regulations and Service policies and procedures to plan and manage an experience that is enjoyable and educational for children. This policy relates to excursions that may be a 'regular outing' or a one-off excursion for a particular purpose and incursions, where visiting performers, groups or community services may visit our Medowie Gumnut Preschool

**DEFINITION (EFFECTIVE 1 OCTOBER 2020)**

Excursion: means an outing organised by an education and care service or family day care educator but does not include an outing organised by an education and care service provided on a school site if-

- (a) a child or children leave the education and care service premises in the company of an educator and
- (b) the child or children do not leave the school site

Regular outing: in relation to an education and care service, means a walk, drive or trip to and from a destination

- (a) that the service visits regularly as part of its educational program; and
- (b) where the circumstances relevant to the risk assessment are *substantially* the same on each

Incursion: means an activity organised by our early childcare service, whereby an outside body is employed or engaged to visit the service to run an educational program and to promote culture and diversity. This could include a visit from a dentist, the Rural Fire Service, an Aboriginal Cultural awareness group, science or reptile show or a musical or drama performance. Some incursions may be offered free of charge whilst others may incur a small participation cost.

**CONSIDERATIONS FOR EXCURSIONS AND INCURSIONS**

The purpose of the excursion should be clearly identified by staff providing information on how the excursion or incursion supports the educational program and contributes to the outcomes for children.

Excursions/incursions should be planned in advance and consideration given to the:

- time away from the service
- availability of toilet and washing facilities
- access to safe drinking water
- adequate health and hygiene practices
- possible risk to children (identified in risk assessment)
- accessibility for all children
- transportation
- cost (excursions and incursions if applicable)
- weather- wet weather arrangements
- Risk Assessment documentation provided by the excursion venue
- teaching children safety procedures and responsibilities whilst on an excursion
- safety and wellbeing of children whilst at the service whilst participating in an incursion (identified in risk assessment)

## EXCURSION/INCURSION RISK ASSESSMENT

The Approved Provider or Nominated Supervisor must conduct a detailed risk assessment which reflects Regulation 101 before an authorisation is scheduled under Regulation 102 to determine the safety and appropriateness of the excursion/incursion. If the excursion involves transporting children, the risk assessment must adhere to all components of regulations 101, 102, 102B, 102C (effective March 2023)

### THE APPROVED PROVIDER/ NOMINATED SUPERVISOR WILL ENSURE:
