

REFUSAL OF AUTHORISATION PROCEDURE

Under the National Law and National Regulations, education and care services are required to obtain written authorisation from parents/guardians for some circumstances, to ensure that the health, safety, wellbeing, and best interests of the child are met and upheld. An authorisation is given where a person who has legal responsibility for a child gives permission to another person to do something or to make a decision on that person’s behalf. Decisions around refusing an authorisation will be made on a case-by-case basis by the Service in discussion with the nominated supervisor, Police or other authorities.

Working in conjunction with the Acceptance and Refusal of Authorisations Policy, this procedure provides guidance for the service where authorisations are obtained and refused.

Education and Care Services National Law or Regulations (R. S170, S171, 99, 157, and 160) NQS QA 2 and 7: Element2.21, 2.2.2, 2.2.3 and 7.1.2 Health and Governance practices and procedures
